A tip for a chance at a scholarship = a solid letter of recommendation.

TIPS Brainstorm a list of people you have good connections with (boss, co-worker, coach, neighbor, family friend, priest/pastor, etc.). Yes, teachers can write these, but consider asking someone who can speak specifically to your individual character.

Hi, all! I have been able to meet and work with most of you over the years, but for those of you who don't know me, I am Mrs. Tibbits and this is my 10th year at Ubyly, but my 15th in education. I have three young kids; two go to Ubyly! My favorite things are reading, boating with my family, exercise and cooking. I look forward to working with you this year!
